Would you like to find financial balance?

www.janineprince.com/freebies

Income never seems to grow and expenses only ever get bigger – what's a fool to do? Well, if you're interested and willing to put in the effort, you can master this situation. It isn't easy. You know that. You're going to need to concentrate.

The ground beneath you is uneven and changes, there are always ups and downs in life, but knowledge is power! By asking to know yourself and being open to learn from what your subconscious has to tell you, well it's a whole new ball game!

Hard work goes into the appearance of effortless. It takes practise, commitment, and strength to learn perfect balance. Once you've mastered it, you're part of an infinite loop of energy.

This reading is based on the 5 points of the two sides of the coin.

“Two sides to the same coin”

May the cards reveal to me the Heads and Tails to my debt story.

Draw 10 cards in total - two for each point.

1 **Character**

Heads: Debt I'm in now

Tails: The pattern I have

2 **Story**

Heads: What I tell myself (see about the debt)

Tails: what I'm not admitting (the blindspot I don't see)

3 **Shadow**

Heads: What I resent about income

Tails: What I love about debt

4 **Conflict**

Heads: Accepting my limits

Tails: Payoffs preventing progress

5 **Help**

Heads: Action to take

Tails: Forgiveness or support
